**TO THE UNITED STATES CONGRESS

**THIS IS A LAWFUL NOTICE AND PROTEST BY THE
CITIZENS AND CIVILIANS OF
OHIO STATE BY LETTER OF MARQUE AND REPRISAL**

**MAY IT PLEASE THIS CONGRESS, COMPRISED OF BOTH
REPRESENTATIVES AND SENATORS.**

**Gentlewomen and Gentlemen of the Congress
Of the United States of America:**

Why has the Laws of this country, America, became so complex to which it may take 12 years of normal schooling, 8 years of Collage, 8 years of law school, 12 years of Law language, Latin language, and whatever else it takes to make the Laws of this Nation so complex, so that the average Citizen, Civilian is not able to defend himself/herself in a Court of Law and receive a Fair, Impartial, and Honest Trial?

We, the Citizens and Civilians in Ohio need to know this, because it seems if you do not know the language of all the processes practiced in the Courts, including the Laws, Codes, Statutes, Ordinances, hand shakes etc., then your fair and impartial chance has just taken a nose dive to Zero Percent of winning.

When the United States Constitution was written, it was written so a party of the 7th. or 8th. grade level of education could read and understand exactly what the Constitution meant.

Now the way We understand this procedure, is that when a party with a 7th. or 8th. grade education can write to Congress and get help and to able to stand up in a Court, defend themselves, and receive a fair, impartial, and honest trial. All the while with an adversary as an attorney, whom which has a lot of wallpaper (degrees, authority, certificates etc.) to show he/she has an education, to be able to defend and win their case.

The United States Constitution is to be read the way it is written, and it is written the way it is to be read.

Now We would like to know how the Law has become so complex and so far out of reach for the average Citizen Civilian, for them to receive a fair, impartial, and honest trial without the police, prosecutors, and the Courts who find it more profitable to falsify and quash our evidence by their so-called legal trickery.

The following **LETTER OF MARQUE AND REPRISAL** explains in very plain and simple language what the problem is about; e.g. 7th. or 8th. grade understanding.

We apologize for being too lax on keeping the servants in tow. We the People of this great nation are only required to speak in the language common to all, and so shall it be with you.

We the People reserve all Rights Indefinitely,

We the People also reserve the Right to amend as necessary.

Thank You;

Respectfully submitted,

LETTER OF MARQUE AND REPRISAL

NOW COME WE THE PEOPLE OF NEW PHILADELPHIA, OHIO WITH A LETTER OF MARQUE AND REPRISAL

To the best of my ability and knowledge, all lawful recourse has been used to solve this problem in New Philadelphia, Ohio. We have evidence that shows crimes and exhortation against the citizens of New Philadelphia, Ohio.

Evidence has been sent to the President of the United States, Congressman Bob Ney, Ohio Governor Bob Taft, Ohio Adjutant General, Ohio Attorney General, Ohio State Auditor, State Representative Kerry Metzger, Senator Greg Didonato, Ralph Regula, Florida Representatives Paula Dockery and Adam Putnam and others.

We have Police officers, Prosecutors, Magistrates and Judges who have no oath of office or affidavit of proof. These people are in violation of the United States Constitution Article VI Clause 3, the Ohio Constitution Article XV Section 7, Title 5 USC 3331, 3332, 3333 and 5507, as well as a list of Ohio Codes, as per Supreme Court rulings entrusted in American Jurisprudence, Ohio Jurisprudence and the list goes on.

These public servants have found it personally profitable to falsify cases against the citizens. Innocent citizens are losing their licenses, their jobs, going to jail or prison, being placed on probation, having protection orders placed against them and being ordered to pay fines while those who have no authority, are collecting court costs, fines, government funds and retirement benefits. Citizens are being made criminals for profit. When someone else does this, it is called Racketeering, a violation of the R.I.C.O. Act.

YOU ARE BEING NOTIFIED OF THIS PROBLEM. You have 10 days (ten days) to address this problem (United States Constitution Article I Section 7 Clause 2, 10 days).

The law DEMANDS REMOVAL AND CHARGES under the United States Constitution Article II Section 4, and Article III Section 3 Clause 1 and 2.

The people previously notified by petition and letter refused to answer or claimed it is a local issue. United States Constitution states that you are to be notified, Article I Section 8, Clause 11. YOU ARE HEREBY NOTIFIED.

When you accepted your position, you swore and oath to the Constitution and to the People, to uphold their rights. You are also being paid and trusted to do this. To date you have failed

The Constitution of the United States gives We The People a Remedy for taking care of this problem. Must we do our rightful job for free, or will you do the job for which you are being paid to do?

Ten days (10 days) to respond, no longer.

MARQUE and REPRISAL

Norman Dicks
8-21-08

This Letter of Marque and Reprisal is in the name of the People of the several States of America.

We The People of the several States come before our Legislator with a demand of a Letter of Marque and Reprisal. In order to put a stop the criminal action and abuse committed upon the people of these several States by those who are in violation of their Constitutional Oath to these several States of America and the People for which that pledge was given to.

Evidence of such abuse has been laid before our legislators for over a year by those who hold these public positions. Evidence of abuse and misuse of these public offices and misuse of federal funds to be used against the People of these several States to suppress, to threaten, intimidate, coerce, extort, blackmail, and over throw the standing government of this country as it was intended by the Constitution.

The Constitution is a Rule of Law that puts restrictions on the branches of government in order to not to injury the People of the several States. Article 1 Section 8 put a limit on the types of laws that Congress can create. The Constitution also defines that the People are to have three branches of Government that are separate in order to have checks and balances. It has come to pass that these checks and balances are failing to protect the people from abuse because of the infiltration of one specified group in control of all three branches of government in clear violation of the checks and balances defined in the Constitution.

The judicial branches of government by its own statutes of the United States Code are in violation of Title 18, Title 42 as well has the HR 1955 and HR 3162. It has come to our attention that any or all Federal Congressional, State Legislative Enactment or Acts, Rules, Regulations or anything created by privately operated Corporations or Associations, Agencies, instrumentalities, or entities that are defined under Judiciary and judicial procedure of Title 28 USC § 3002 is being deemed by many Administrators in this Judicial branch of government as ANTI-GOVERNMENT PATROIT LAWS.

The Judicial branch of government has declared war upon the People of these several States, by misusing the Emergency War Powers Act and Trading with the Enemy Act and THE FUGITIVE SLAVE ACT of SEPTEMBER 18, 1850. That's who the members of this branch of government are and who are the officers to the judicial branch which has conspired to misuse that governmental branch by redefining the language of this Nation. 1) by creating their own grammar definition on how words are to be used, 2) by redefining the word CORPORATION in a private Bill placed before a State legislative branch to have them define the term "corporation" into a "person", 3) By having the legislation pass legislation to misuse the last name of the people [commercial charter] by placing them in commerce by the use of their last name. Delaware Code Title 8 'CORPORATION' Chapter 6 section 617 'HOW TO NAME A CORPORATION', 4) by

NORMAN D. DICKS

misusing THE FUGITIVE SLAVE ACT SEPTEMBER 18, 1850 in order to place the people in commerce as claimed slave owners.

By this Judicial branch of government and those who are officers of that branch government has been redefining the language of our Nation. By their action and intent they have redefined article 1 section 8 of the united States Constitution by placing the People in commerce. This same judicial branch has also placed itself outside the Constitutional restrictions by placing itself into and claiming Foreign State immunity to which the People of these several States have no remedy or recourse in which to defend against. By doing this, they have refused their Constitutional office and Oath to the People. Again they have redefined Article 1 section 8 by making the People of these nation foreigners to them, in our own land. These actions were done with evil intent to defraud and misuse the People of these several States in order to abuse the federal funding program created by Congress.

Due to outside influences the People have become a victim of abuse by two of the three branches of government and private run Corporations with the third branch helpless to protect the People. So the People are now turning to that third branch of government and demanding that, the third branch of government honor this demand within 10 days of receiving this document. Any failure to comply will be construed that your offices are in under Duress and under direct threat by outside influence which prevents you from responding to the aid of the People of these several States. This now will allow the People of these several States to defend themselves from those who have been inflicted and who have inflicted damage to the people.

It is with a heavy heart and with deep regret that such a document has to be placed before our legislative body in order to protect the People from abuse. In order to amend this letter of MARQUE and Reprisal all immunity to those who hold these Judicial and Executive position and it officers have to be removed within the 10 days to prevent any future abuse by these two branches of government. The judicial branch government has to shut down and a Congressional hearing on this corruption needs to be placed on the floor of Congress. So that the People can provide their evidence of such corruption by those who have abused and violated their Constitutional Oath to the People. Congress itself lacks any such immunity Article 1 section 3. Any failure to do so will cause the People to believe that this body of government is under duress and is unable to comply. This could cause the People to come to the aid of their legislators under HR 1955 and HR 3162 as these two Bills define the term and definition of Domestic Terrorism.

This Letter of Marque and Reprisal is in the name of the People of the several States of America.

MARQUE and REPRISAL

Mike McIntyre

This Letter of Marque and Reprisal is in the name of the People of the several States of America.

We The People of the several States come before our Legislator with a demand of a Letter of Marque and Reprisal. In order to put a stop the criminal action and abuse committed upon the people of these several States by those who are in violation of their Constitutional Oath to these several States of America and the People for which that pledge was given to.

Evidence of such abuse has been laid before our legislators for over a year by those who hold these public positions. Evidence of abuse and misuse of these public offices and misuse of federal funds to be used against the People of these several States to suppress, to threaten, intimidate, coerce, extort, blackmail, and over throw the standing government of this country as it was intended by the Constitution.

The Constitution is a Rule of Law that puts restrictions on the branches of government in order to not to injury the People of the several States. Article 1 Section 8 put a limit on the types of laws that Congress can create. The Constitution also defines that the People are to have three branches of Government that are separate in order to have checks and balances. It has come to pass that these checks and balances are failing to protect the people from abuse because of the infiltration of one specified group in control of all three branches of government in clear violation of the checks and balances defined in the Constitution.

The judicial branches of government by its own statutes of the United States Code are in violation of Title 18, Title 42 as well as the HR 1955 and HR 3162. It has come to our attention that any or all Federal Congressional, State Legislative Enactment or Acts, Rules, Regulations or anything created by privately operated Corporations or Associations, Agencies, instrumentalities, or entities that are defined under Judiciary and judicial procedure of Title 28 USC § 3002 is being deemed by many Administrators in this Judicial branch of government as ANTI-GOVERNMENT PATROIT LAWS.

The Judicial branch of government has declared war upon the People of these several States, by misusing the Emergency War Powers Act and Trading with the Enemy Act and THE FUGITIVE SLAVE ACT of SEPTEMBER 18, 1850. That's who the members of this branch of government are and who are the officers to the judicial branch which has conspired to misuse that governmental branch by redefining the language of this Nation. 1) by creating their own grammar definition on how words are to be used, 2) by redefining the word CORPORATION in a private Bill placed before a State legislative branch to have them define the term "corporation" into a "person", 3) By having the legislation pass legislation to misuse the last name of the people [commercial charter] by placing them in commerce by the use of their last name. Delaware Code Title 8 'CORPORATION' Chapter 6 section 617 'HOW TO NAME A CORPORATION', 4) by

misusing THE FUGITIVE SLAVE ACT SEPTEMBER 18, 1850 in order to place the people in commerce as claimed slave owners.

By this Judicial branch of government and those who are officers of that branch government has been redefining the language of our Nation. By their action and intent they have redefined article 1 section 8 of the united States Constitution by placing the People in commerce. This same judicial branch has also placed itself outside the Constitutional restrictions by placing itself into and claiming Foreign State immunity to which the People of these several States have no remedy or recourse in which to defend against. By doing this, they have refused their Constitutional office and Oath to the People. Again they have redefined Article 1 section 8 by making the People of these nation foreigners to them, in our own land. These actions were done with evil intent to defraud and misuse the People of these several States in order to abuse the federal funding program created by Congress.

Due to outside influences the People have become a victim of abuse by two of the three branches of government and private run Corporations with the third branch helpless to protect the People. So the People are now turning to that third branch of government and demanding that, the third branch of government honor this demand within 10 days of receiving this document. Any failure to comply will be construed that your offices are in under Duress and under direct threat by outside influence which prevents you from responding to the aid of the People of these several States. This now will allow the People of these several States to defend themselves from those who have been inflicted and who have inflicted damage to the people.

It is with a heavy heart and with deep regret that such a document has to be placed before our legislative body in order to protect the People from abuse. In order to amend this letter of MARQUE and Reprisal all immunity to those who hold these Judicial and Executive position and it officers have to be removed within the 10 days to prevent any future abuse by these two branches of government. The judicial branch government has to shut down and a Congressional hearing on this corruption needs to be placed on the floor of Congress. So that the People can provide their evidence of such corruption by those who have abused and violated their Constitutional Oath to the People. Congress itself lacks any such immunity Article 1 section 3. Any failure to do so will cause the People to believe that this body of government is under duress and is unable to comply. This could cause the People to come to the aid of their legislators under HR 1955 and HR 3162 as these two Bills define the term and definition of Domestic Terrorism.

This Letter of Marque and Reprisal is in the name of the People of the several States of America.
